REGULAR FLAVORS

Caramel Classic Old-fashioned caramel. It's made with 100% pure cane brown sugar, vanilla and whipped margarine. Close your eyes and you can almost see Grandma stirring up a batch in her country kitchen. It's creamy, crunchy and caramel-licious!

Jalapeno The flavor of the Southwest is here to stay! Our zippy jalapeno will leave you wanting more! If you like to add some spice to your day, you can't miss this one. Grab a handful and enjoy the ride!

WHITE CHEDDAR Our white cheddar cheese is the "connoisseur" of our cheese-flavored popcorn's. A premium blend of white cheese coats our gourmet popcorn to create a long-time customer favorite. This distinctive white cheddar stands out in a crowd, but be careful; it's almost too good to share!

GARLIC Parmesan The white cheddar popcorn we all know and love, all dressed up! This savory flavor is loaded with flavor and sure to please the garlic lover in your life.
